You and your club are invited to take part in the next "All Ireland Open Tae Kwon Do Championships". This competition is open to all Tae Kwon Do Styles, Clubs, Groups and associations. This is a non-political event and we only ask you to respect this. We only wish to promote the art of Tae Kwon Do and its practice in Ireland. These competitions have been a great success in the past and are getting bigger each year. So make a date and see if you can become the next All Ireland Open Champion. We thank you for your continued support
